OUR GRAPH . . .

Dear Gene,

Well Boy, it looks like me and you are leaving

this dear O' place. But we got plenty to remember

Don't forget all the times we've been looking
for something to do. Maybe we will find something
this summer. Best of luck always to one of
my best buddies.

Yours pal,

Doug & Leah

WE DREW

IT

Dear Gene,

This is just a
few lines to remind
me by in the years
to come. We are to
run for Congress,
say in 1961, so let's
get together and be-
come Senators. When
we do, we will
sign up all of the
Kingtown boys as
our private secretaries.
Best of wishes, (The
well has many) boxes
an old friend.

Features

This is our own story—lived and written by us. It is not fancy, for we are only ordinary people. It is, however, true. Our purpose in presenting it is to share with you our experiences, and to preserve for the years to come a memorandum of six of our happiest years.

As chapters in our story—views along the yardstick of learning—come the administration, our guides; the classes, our inspiration; the activities, our mental proving-grounds; the sports, our physical endeavors; and the features, our sallies in the social graces.

We measure ourselves, to some extent, by the events here recorded; we leave to you to measure this book by the picture of life herein portrayed.

We Dedicate...

In every undertaking there must be those who do the planning and execution, and who are responsible for success or failure. We have fallen short of the mark many times, while in school, but always we have had fun and learned a valuable lesson; therefore, we consider our high school life a success. To Mr. Van Pelt and Mr. Hammack, who provided guides and materials, and who continually offered congratulations for success, consolation in defeat, but kind and wise advice in everything, we give much credit for our achievements. Under their guidance, our school has steadily grown in numbers, even to overcapacity. Still, we have not been deprived of the chance to reap the utmost from our education, for progress has paced need. As evidence of this, our school has the newest of materials, its largest faculty in history, and the pleasant prospect of a new building in the near future.

It is therefore to Mr. Joseph B. Van Pelt and Mr. Theo T. Hammack, our friends and guides, that we, the Senior Class of 1952, proudly and with heart-felt gratitude dedicate the 1952 *Virginian*.

ADMINISTRATION

Gene,

It has really been a pleasure knowing you for years and we sure have had fun. The only things that make all my years in high school - happy ones - is the fact that you, Buddy and David were all my buddies ("sook sook") You boys behave yourselves and don't work too hard. (as if you would)

May the very best of everything be yours

IMPORTANT FACTORS

As life becomes more complex, schools must provide increasing numbers of subjects in their curricula. Virginia High School offers training not only in academic fields but also in manual arts, fine arts, secretarial and commercial courses, music, speech and drama, domestic sciences, physical education, driving, diversified occupations, and guidance.

Basic in any high school education is its English Department, which includes at V.H.S. Mrs. W. W. Fillinger, Miss Virginia Anderson, Mrs. Rosa Baldwin, Miss Louise Brewer, Mrs. Ellen Pearson, Miss Audrey Doak, Miss Doris Neal, Miss Mozelle Porter, and Mr. A. L. Mitchell. Foreign languages, including Latin, French, and Spanish, are taught by Mrs. James David and Mrs. Nora DeBusk.

The department of history and social studies includes: Mrs. L. B. Boatright, Mrs. Nora DeBusk, Miss Emily Gilmer, Miss Mayme McCoy, Miss Irene Brown, Miss Betty Huff, Miss Doris Neal, Mr. A. L. Mitchell, Mr. Robert Coleman, and Mr. John Poland, replacing Mr. Robert Hurlbut.

The Mathematics Department, offering general math, business math, two years of algebra, plane and solid geometry and trigonometry, comprises a staff of Mr. W. C. Rasnick, Miss Etta Hillman, Mrs. L. B. Boatright, Mrs. A. J. Eaton, Mrs. William Pippin, and Miss Betty Huff.

Sciences, including introductory science, general science, biology, chemistry, and physics, are taught by Mr. W. S. Powers, Miss Emma Smith, Mr. J. Roscoe Hall, and Mr. Kenneth Hewitt.

Manual training, print shop, and mechanical drawing are under the supervision of Mr. Carroll Campbell and Mr. I. B. Moore.

Instructors in fine arts, including painting, sketching, and crafts, are Miss Emily Gilmer and Miss Mayme McCoy.

Commercial courses offered to sophomores, juniors, and seniors are bookkeeping, office practice, general business, and two years of typing and shorthand. Mrs. J. M. Creger and Miss Susan French are instructors in this department.

The Music Department, giving training in band, chorus, piano, and music appreciation, consists of Mr. Hamp Richardson, who replaced Mr. John Shultz; Mr. Raymond Kreiner, Miss Eleanor Curtin, and Miss Audrey Doak.

Directors of speech, drama, and expression are Mrs. Ellen Pearson and Miss Eleanor Curtin.

Sewing and Cooking are under the instruction of Miss Martha Baxter and Miss Hazel Emmitt.

The Department of Physical Education includes: Mr. Homer Harris, Mr. Robert Coleman; Mr. John Poland, replacing Mr. Robert Hurlbut; Miss Dorothy Cowden, and Miss Irene Brown. Also an instructor in this division, and driving teacher, was Mr. Louis Kovacs, whose duties were assumed in February by Mr. Harris.

Mrs. Frances Boyd serves as director of diversified occupations, which provides part-time jobs for students.

Guidance and educational testing are carried out by Miss Mozelle Porter, Mrs. Rosa Baldwin, Miss Doris Neal, and Mr. W. C. Rasnick.

Seventh grade teachers are: Mrs. Ted Francis, Mrs. Frances W. Mynatt, Miss Sally Hickam, Miss Doris Mauk, and Mrs. Laura Toms, replacing Mr. John Poland.

The library is under the supervision of Miss Leone Cooper.

In addition to their teaching duties, almost all these faculty members give untiringly of their time and energy in advisory capacities. In more ways than one, they are truly important factors in the lives of all the students.

CLASSES

History of Senior Class

Six years ago, a group of 215 little seventh-graders entered the portals of Virginia High School bright and early one morning. If they had ever heard "I am the captain of my ship" the knocking knees and cowed looks belied the fact. Overcoming the awe of the building's magnitude, we elected Bobby Stuart to lead us through the first year. Our chief activity was our operetta, "Cinderella." A few members worked in the band and the Junior S.C.A.

After the first few days of bewilderment at changing classes, our eighth grade year found us on a firmer foundation, again led by Bobby Stuart. In addition to band and S.C.A. some of our boys began to participate in athletics.

We former quaking little seventh-graders were very grown up in the ninth grade, for we began selecting our own subjects. With Bobby Stuart as class president and Sammy Marney as president of the Junior S.C.A., our activities branched even farther this time into the high school clubs. We were certainly proud when Veda Hensley, a member of our class, was elected Miss Virginia High X.

Our sophomore year saw us take an even greater part in the affairs of the school, with Betty Lowe as our president.

The duties of juniors shifted uneasily at first, but soon they settled securely on our shoulders. With Sammy Marney as our president, we began early to plan our many activities. First came a magazine sale, then "Life with Lester," our junior play. In the spring our biggest undertaking, the Spring Festival, was a great success. Our final project was giving the Junior-Senior Banquet, an occasion we can never forget. On Class Night, when we took the senior seats, we were sad to see our older companions leave, but proud and excited at the prospect of being in the coveted position of seniors.

We chose Jimmy Young to lead us through our last year. A bit overwhelmed by the weighty responsibilities of our major offices, we gained assurance and poise when we slipped our class rings on our fingers. If people learn by doing, we learned a great deal this last year. We dominated the sports, clubs, newspaper, Student City Government Day, and social activities; we presented our senior play and our annual; and we were honored with the Junior-Senior Banquet, Class Night, and Graduation.

Now we prepare to go into fields of work or institutions of higher learning. Whatever be our goal, our wishes are that we may profit by our past experiences and enjoy the rest of our lives as much as these past six years.

In Appreciation

We needed someone to prod us on occasionally when it would have seemed so good to stay away from school, and to calm us down when spirits flared too high for our own good and caused us not to be the gentlemen and ladies we should be. When we were injured or grew sick at school, it was a great comfort to have one who doctored us. Our assistant principal did these things, and, in addition, taught mathematics to some of us. For these things and many others, we, the Class of '52, wish to express our deep appreciation to Mrs. A. J. Eaton.

SENIOR S. C. A.

"Jerry" Cassell, Vice-President; Betty Lowe, Treasurer; Mrs. W. W. Fillinger, Sponsor; Junior ("Ike") Icenhour, President; Peggy Boring, Reporter; Nancy Oakley, Secretary.

In 1939, the Student Cooperative Association of Virginia High was organized. Bill Henry served as first president, and Mrs. W. W. Fillinger as sponsor.

The S. C. A., composed of the Sophomore, Junior, and Senior Classes, has a representative from each home room. It is a student government organization to give pupils a chance to present their problems and to help keep them informed of school activities.

Projects for this year were: making shakers and selling badges for the Virginia-Tennessee foot-

ball game; awarding student letters to outstanding seniors at graduation; sponsoring the school newspaper, "The Little Virginian"; sponsoring a faculty basketball game; sending our president, "Ike" Icenhour, to Wellesley Hills, Massachusetts, to a National Student Association Convention; and selling school supplies.

This year's officers were: "Ike" Icenhour, president; Jerry Cassell, vice-president; Nancy Oakley, secretary; Betty Lowe, treasurer; and Peggy Boring, reporter. Mrs. W. W. Fillinger served as sponsor.

Second row: Jimmy Nash, Paula Smeltzer, Sally White, Sergeant-at-Arms; Phyllis Whicker, Jerry Moretz, Arlene Feathers, Laura Jean Ely, Ann Drinkard, Henry Kennedy.

Third row: Sally F. Hickam, Sponsor; Herman Eller, Sue Glover, Evelyn Coffey, Vice-President; Frances Fraley, Mary Hall Richardson, Reporter; John Kreiner, Treasurer; Phil Nash, Reporter; Garland Osborne, President; Jane Davis, Secretary; Mary Elizabeth Holt.

The purpose of the Junior Student Cooperative Association is to promote: first, citizenship; second, cooperation; third, health; fourth, recreation; fifth, self-improvement. Cooperation, not competition, is the principle by which the entire scope of S.C.A. activities is guided. The flaming arrow emblem; the dogwood flower; the colors green and white; and the motto: "The School and Community Growing Together," are symbolic of the leadership training afforded.

Each junior high home room elects its representative who must, among other qualifications, have at least a B average. These representatives

are assigned to committees through which the work of the organization is carried out.

This year the Junior S.C.A. has placed at the fountain posters encouraging cleanliness; distributed six new cleanliness banners to deserving junior high school rooms; and sent delegates to the district S.C.A. convention.

Officers were: Garland Osborne, president; Evelyn Coffey, vice-president; Jane Davis, secretary; John Kreiner, treasurer; Phil Nash and Mary Hall Richardson, reporters; and Sally White, sergeant-at-arms. Miss Sally Hickam was sponsor.

The Beta Club received its charter in June of 1938 from the National organization with approximately twenty charter members; it began its first year's work in September of that year.

The Beta Club is an honorary scholastic organization to which all students who maintain an average of 90 or over and have good character and leadership are eligible for membership. The purpose of the club is to promote a sense of honesty, individual responsibility, and leadership. The club serves the school at any time it is called upon.

The projects for this year included contributions to: the Beta Education Fund, Crippled Children's Society of Virginia, General School Fund,

football issue of the *Little Virginian*, spring cleaning of the Teachers' Lounge, financial aid toward the expense of Virginia High's representatives at the State Literary and Athletic meets and the expenses of its members attending the State Beta Convention in Richmond. As money making projects the club sold candy at lunch and stationery throughout the year.

The Virginia High Club entertained the Betas of Tennessee High and Virginia Intermont with a tea in honor of Sammy Marney, state president of the Virginia and West Virginia clubs for 1951-52.

A large group attended the State Convention.

The Kiwanis Club sponsors the Key Club, a member of division, district, and international Key Club. With the goal to develop leadership, citizenship, and the will to work, the twenty members strive to serve the school and community.

Outstanding among the club's projects this year was a program to promote better sportsmanship between Virginia High and Tennessee High School and presenting a spotlight to the school. Others included helping in the Community Chest drive; raking the school yard; sending representatives to the Kiwanis Club meetings; selling basketball programs; sponsoring dances at the school; and sharing Christmas with a Santa Pal.

Socially, the club held two outings and entertained last year's members with a Christmas dance at Hotel General Shelby.

Through close cooperation with the Kiwanis Club and the Key Clubs of Tennessee High and Wallace High Schools, the club learned a great deal and attempted to help unite all of Bristol and the surrounding area.

Mr. Roscoe Hall served for the second year as sponsor. The club elected the following officers: Howard Coffey, President; Dewey Wilson, vice-president; Toto Barker, secretary; Bobby Davis, treasurer; Don Smith, sergeant-at-arms; and Champe Summerson, sweetheart and reporter.

Some projects were: buying mirrors for the coaches' room, selling concessions, sharing Christmas joy with a Santa Pal, buying club pins for

the members, and operating the coat check room at basketball games.

Under Mr. W. C. Rasnick as sponsor, the following officers were elected: Bob Stuart, president; "Dec" Cross, vice-president; "Ike" Icenhour, secretary-treasurer; Joe Long, reporter; Jimmy Goode, chaplain; Jimmy Walling and Richard Cartwright, sergcants-at-arm; and Mary Stant, sweetheart.

The Girls' Hi-Y, as a religious service organization, tries to create, maintain, and extend high standards of Christian living throughout the school and community. To further this aim the club attends a different church once each month with the Boys' Hi-Y.

In October, the club sponsored a benefit dance, with proceeds going to the Santa Pals, a family of four. As a joint social function with the Alpha Foundation, the annual Christmas dance was an

outstanding occasion. A service project unique in Virginia High was the club's blood-donating campaign, in which members urged Bristolians to give blood to the local blood bank.

Miss Mozelle Porter was sponsor for the second time, and officers were: Nancy Rice, president; Peggy Pruett, vice-president; Betty Lowe, secretary; Betty Goodman, treasurer; and Larry Hysler, sweetheart.

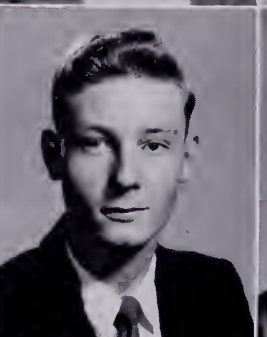

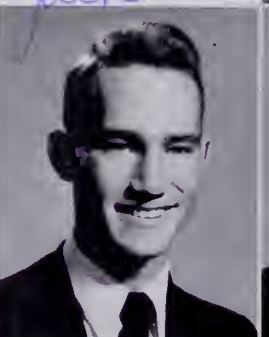

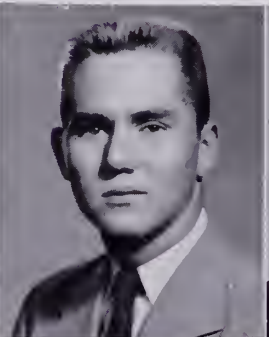

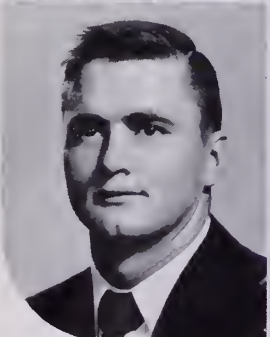

The Junior Civitan Club, sponsored by the International Senior Civitan Club, has as its goal to build and promote better citizenship in the school and community. Close contact with the parent club is maintained by sending two members to the Senior luncheon each Monday and having an adult representative at the school meeting each Thursday.

Membership, limited to twenty, is filled by a majority vote of the members. Some projects this year were: an assembly program, the "Mr. Football" contest; a new mirror in the gym; a Santa Pal at Christmas; keeping the trophy case clean; the boys' inter-class tournament for those unable to compete in the inter-scholastic basketball; and outings and dances for social life of the club.

With these words guiding us this year, we have accomplished much. In trying to live up to our goal, we held a dance after the Virginia High-William Fleming football game; sent two large boxes of food to the Good-Will Center at Thanksgiving; joined with the Junior Civitan Club in taking two Santa Pals at Christmas; made Valentine cut-outs for the Janie Hammitt Home; do-

Projects for this year were: to give a glorious Christmas to a Santa Pal and follow up with Easter gifts; to have numbers painted over the school doors and appropriate signs for the rest rooms; to send a Christmas fruit box to the Janic

Hammitt Home; and to start a movement to care for the front lawn of the school. Especially important is the endeavor to reach a closer union between the clubs of Virginia High and Tennessee High.

This year's officers were: Shirley Butterworth, president; Ann Worley, vice-president; Beverly Dunn, secretary; Mary Elizabeth Seneker, treasurer; Francis Hawk, reporter; and Ed Morton, sweetheart and sergeant-at-arms. The sponsor was Mr. Kenneth Hewitt.

Diversified Occupations is a cooperative vocational program for juniors and seniors in high school. Each student enrolled must work a minimum of 15 hours per week in some business, industry, bank, office, or other place of employment. This program is not set up for the mis-fit or the one who cannot learn; it includes students who want to learn a trade or occupation in order to be better adjusted to working conditions after graduation. Business establishments cooperate with the school in providing work experiences and vocational instruction for these students who are placed in employment half of each school day.

These students must be industrious and willing to learn, otherwise they will not fit into the program. Diversified Occupations offer for these students a good job, excellent means of vocational education, an all-important feeling of ease and self-confidence, and the opportunity to earn while learning. The program tends to emphasize the

importance of school subjects rather than deviate from them. Each student receives special attention and advice in regard to his job. He is given suggestions as to what subjects to take and how to arrange his schedule. The importance of a well-rounded individual is emphasized.

A D.O. student can also secure sufficient credits for college entrance. Only one hour of Vocational Classwork is required each day, or five hours per week, with no outside assignments other than three hours of work per day on the job. Two credits are given for one year's work, or a total of four credits for two years. Two academic subjects are carried in addition to the one hour of related vocational work.

The club, sponsored by Mrs. Frances Boyd, elected Johnny Rush, president; Douglas Lane, vice-president; Eleanor Trivett, secretary; Jimmy Young, treasurer; and Richard Martin, reporter.

All Latin students are eligible for membership in the club so long as they pay their dues and attend club meetings.

Last fall the nobles visited the Latin department of Dobyns-Bennett High School in Kingsport. They have many interesting projects to make learning Latin and Roman customs easier.

The objective of the club is to acquaint the student with the civilization of the Romans—

their life, language, literature, customs, and history. By this acquaintance the student is able to develop an appreciation for the classics and to enrich his cultural background.

The members of the club have selected as pins Roman helmets with the name of the school and the year on them.

The club was under the capable sponsorship of Mrs. David. Officers were: Sarah Neblett and Richard Lee, Consuls; Duke Godsey and Alice Roberts, Tribunes; Rose Marie Cassmeyer and Gay Barlow, sergeants-at-arm.

1951 District Track Champions

The Bearcats of Virginia High opened their 1951 track season with a convincing 75-24 win over Saltville. The outcome was never in doubt after the first few events, and the Orange and Black swept practically every event in the meet for their victory margin.

In the District VII meet, held on the Emory & Henry track, Virginia High completely dominated the scoring to win the District championship for the third year in succession. The Bearcats "ran away" with ten first places as Bobby Jordan

and John Wright captured nine points each to tie for individual honors.

There was no meet held with the Tennessee High Vikings because of a misunderstanding on the schedule.

In the Virginia State Track Meet, Virginia High scored only three points, as Bobby Jordan captured second place in the broad jump and the Bearcat 880-yard relay team finished fifth. Members of this relay were: Jimmy Goode, Sidney Spahr, Bobby Stuart, and Bobby Jordan.

Senior Class Prophecy

Ah, there's good news tonight! Five years ago in the city of Bristol, a fire destroyed the two main recreation spots, known as Jack's and Babe's Pool Parlor. The entire class of '52 was left homeless, but all showing the spirit and determination of their class went out to seek better things.

Down in Florida we find Mr. and Mrs. Richard Cartwright, the former Barbara Gardner, who have bought a large pelican farm and are doing very well.

While traveling in Lower Mongolia last winter, I met Jane Holmes and Dolores Riddle, who are still running for fear someone will take their diplomas away.

Dewey Wilson has returned to V.H.S. to coach basketball. Everyone calls him "Tall Dewey." He is a big help to football coach, "Itsey" Campbell. How are things in the athletic office, boys?

Mary Ruth Brewer, Norma Jean Bordwine, and Betty Goodman have organized a bridge club for old married couples.

Doug Sheaff has really made a name for himself. His picture is appearing on all toothpaste ads. He says he owes all his success to his dentist, Jimmy Gose.

Scientists Veda Hensley and Helen Roberts have recently perfected their life's dream. It's a lotion to make their feet shrink.

Artists Daniel Booher and Arthur Mullins now have a studio over the Silver Grill. Babs Trayer is their star model.

Shirley Butterworth, Beverly Dunn, Mary Elizabeth Seneker, and Mary Wampler have just completed their survey on the ratio of men to women in the U. S. The girls say that their conclusion can only mean that they will have to work fast!!

George Blaylock is now directing the N.B.C. Symphony Orchestra. He is having a lot of trouble with his pianist, Alan Rutherford, who can't keep his mind off the girls in the audience.

Martina Hawk, Glenna Helton and Pauline Chapman are teaching at King College. It's mainly a boys' school, you know!

Reverend Jimmy Goode has just returned from his missionary work in the Belgian Congo. He brought with him a "Honey Bear" to keep his wife, Champe, company while he is away.

Flash!—The "Hot Rod" King, Johnny Rush, has just invented his new jet-propelled car. His trial driver is the former Speedway Champion,

Paul Fleenor. Tommy Hardin and Buddy Hayton, Captains of the Life Saving Crew, are ready at a moment's notice.

Jimmy Walling is now principal of Virginia High School. The lunch room has been changed into a smoking lounge. Assistant Principal Herman Baker has a rubber stamp, spelling "excused." He never likes to lose time.

Willie Marshall and Benny Milhorn have reached the height of their ambition. They are now janitors at Virginia High.

The fabulous dancing team of Judy Morris and Hass Wooten has become very famous. Judy is also manager of the "Bloomer Girls," world's champion girls' basketball team. Two stars of the team are Ann Worley and Francis Hawk. Hass is singing bass for the Appalachian Mountain Boys. Other members are Richard Martin, Bob Stuart, and Don Moore. Playing the guitar for them, of course, is Dick Peters.

Don Preston, David Crawford and Stanley Wagoner have bought their own Motor Company. It's less expensive when they have a wreck. Their private secretary is Elizabeth Ann Young.

Sammy Marney and Howard Coffey have disproved Einstein's latest theory and are making one of their own. Although Einstein's Theory wasn't about the opposite sex we bet theirs will be!

Betty Lowe is now editor of a leading fashion magazine. Her star model is Shirley Pruett.

Billy Roberts, Peggy Broyles and Anna Ruth Davidson are all private secretaries to President of the United States, Ed Morton. Ed, you know, got his political start as Mayor of Bristol.

At the Metropolitan Opera we find Carolyn Cocke and her accompanist, Julia Calhoun. Carolyn is still singing "Bill" as an encore!

Faye Brindel is now Senior English teacher at V.H.S. Her star pupils are Fred Rasnick, Joe Long, and David Eden.

Gene Hutton and Sam Mumpower are running for Congress. One plank of their platform is to abolish the school system. Their Campaign Manager is Jackie Glover.

Top hitter in the American League last summer was Junior Icenhour. His manager is Billy Earp.

Farmers Bill Warren, Bob Godsey, and Toto Barker won an agricultural award last year for growing the largest crop of corn.

And that's all the latest news of the Class of '52 from your faithful reporter.

 Lots of luck.

TEXTILES

A small textile producer in 1923, Burlington Mills believed in the future of rayon—an early man-made fiber. In the past 28 years Burlington has become a leader in the development and production of beautiful, durable and high-quality filament, spun and knit synthetic fabrics. From one plant with approximately 200 employees, our Company has grown to include 73 manufacturing plants in 43 communities of eight states and four foreign countries. Employing 34 000 people, Burlington is today the world's largest producer of synthetic fabrics, and it is a recognized leader in the designing, development, research, merchandising and fashion fields as well as manufacturing.

If you are a young man or woman looking for a place in industry, we think you should consider textiles—and Burlington. It can hold a bright future for the person with the willingness to learn, ability to work, and the natural interest in this fascinating and competitive field.
